

# 2010 ARTE SCHOLARSHIP PROGRAM INFORMATION

## About ARTE

The Orlando Dermatology Aesthetic & Clinical (ODAC) conference welcomes the **Advanced Resident Training & Education (ARTE)** in Dermatology scholarship program, including the annual Resident Aesthetic Summit. ODAC is honored to support the ARTE scholarship program in its 7th year, and we are confident that those who attend ODAC through the scholarship will have an enjoyable and rewarding experience.

Attended by **97% of US dermatology residency programs**, the ARTE in Dermatology scholarship program supports a specialized track of the Orlando Dermatology Aesthetic & Clinical conference that is specifically designed by key thought-leaders to meet the needs of dermatology residents in training. ARTE in Dermatology offers educational and networking activities with an acute focus on the **most important issues facing residents today:**

- Core therapeutic areas
- Rare insight into board review
- Practice management
- Introduction to aesthetic practices

For those awarded scholarships, the ARTE in Dermatology program will provide:

- **Conference registration**
- **3 nights shared accommodations at The Peabody Orlando**
- **Breakfast, lunch, refreshment breaks, and evening entertainment**
- **Resident Aesthetic Summit:** This exclusive half-day, aesthetic workshop includes live demonstrations and is designed specifically for ARTE Scholars
