## ABOUT ARTE

The Orlando Dermatology Aesthetic & Clinical (ODAC) conference welcomes the **Advanced Resident Training & Education (ARTE)** in Dermatology scholarship program, including the annual Resident Aesthetic Summit. ODAC is honored to support the ARTE scholarship program in its 14th year, and we are confident that those who attend ODAC through the scholarship will have an enjoyable and rewarding experience.

Attended by **97% of US dermatology residency programs**, the ARTE in Dermatology scholarship program supports a specialized track of the Orlando Dermatology Aesthetic & Clinical conference that is specifically designed by key thought-leaders to meet the needs of dermatology residents in training. ARTE in Dermatology offers educational and networking activities with an acute focus on the **most important issues facing residents today:**

- Core therapeutic areas
- Rare insight into board review
- Practice management
- Introduction to aesthetic practices

For those awarded scholarships, the ARTE in Dermatology program will provide:

- **Conference registration**
- **3 nights shared accommodations at the Trump National Doral in Miami**
- **Breakfast, lunch, refreshment breaks**
- **Resident Aesthetic Summit:** This exclusive half-day, aesthetic workshop
- includes live demonstrations and is designed specifically for ARTE Scholars

## SELECTION FOR 2017

Applications will be evaluated and acceptance will be communicated by email as well as through personalized phone calls. Customary acceptance rounds will commence after June 01, 2016 and will continue periodically until November 29, 2016. **Please keep the conference dates of January 13-16, 2017 open until further notice.**

## THE ARTE SCHOLAR COMMITMENT

In recent years, scholarship recipients have cancelled their attendance due to scheduling conflicts. **It is very important that if your application is accepted that all potential scheduling conflicts are resolved ahead of time.** There are many individuals who apply for these scholarships, and when scholarship recipients do not attend, it takes the opportunity away from other applicants.

ARTE Scholars are **required to participate in all general sessions as well as the Aesthetic Summit for the New Practitioner spanning from Friday, January 13, 2017 through Monday, January 15, 2017.**

Each scholar will be required to sign in for each session they attend and complete all session-related surveys or questionnaires via an electronic handheld device. Please ensure that your travel plans accommodate your full attendance Friday through Monday. \*

ARTE Scholars are encouraged to register for additional sessions and workshops whenever possible. Please check our website for updates on workshops and breakout sessions available to residents.

By submitting an application for a 2017 scholarship, you acknowledge this commitment.

**\* Do not make travel arrangements until you have received formal confirmation of your scholarship award.**
