

2019 ARTE SCHOLARSHIP

PROGRAM INFORMATION

About ARTE

The Orlando Dermatology Aesthetic & Clinical (ODAC) conference welcomes the **Advanced Resident Training & Education (ARTE)** in Dermatology scholarship program, including the annual Resident Aesthetic Summit. ODAC is honored to support the ARTE scholarship program in its 16th year, and we are confident that those who attend ODAC through the scholarship will have an enjoyable and rewarding experience.

Attended by **97% of US dermatology residency programs**, the ARTE in Dermatology scholarship program supports a specialized track of the Orlando Dermatology Aesthetic & Clinical conference that is specifically designed by key thought-leaders to meet the needs of dermatology residents in training. ARTE in Dermatology offers educational and networking activities with an acute focus on the **most important issues facing residents today:**

- Core therapeutic areas
- Rare insight into board review
- Practice management
- Introduction to aesthetic practices

For those awarded scholarships, the ARTE in Dermatology program will provide:

- **Conference registration**
- **3 nights shared accommodations at the Hilton Bonnet Creek**
- **Breakfast, lunch, and refreshment breaks**
- **Resident Aesthetic Summit:** This exclusive half-day, aesthetic workshop includes live demonstrations and is designed specifically for ARTE Scholars

Applications for 2019

We are **now accepting applications** to attend the 16th annual Orlando Dermatology Aesthetic & Clinical conference through the ARTE scholarship program. **All US based dermatology residents and fellows are eligible to apply.**

Selection for 2019

Applications will be evaluated and acceptance will be communicated by email as well as through personalized phone calls. Customary acceptance rounds will commence after July 01, 2018 and will continue periodically until October 30, 2018. **Please keep the conference dates of January 18-21, 2019 open until further notice.**

The ARTE Scholar Commitment

In recent years, scholarship recipients have cancelled their attendance due to scheduling conflicts. **It is very important that if your application is accepted that all potential scheduling conflicts are resolved ahead of time.** There are many individuals who apply for these scholarships, and when scholarship recipients do not attend, it takes the opportunity away from other applicants.

ARTE Scholars are required to participate in all general sessions as well as the Aesthetic Summit for the New Practitioner spanning from Friday January 18, 2019 through Monday January 21, 2019. Each scholar will be required to sign in for each session they attend and complete all session-related surveys or questionnaires. Please ensure that your travel plans accommodate your full attendance Friday January 18th through Monday, January 21st. *

By submitting an application for a 2019 scholarship, you acknowledge this commitment.

*** Do not make travel arrangements until you have received formal confirmation of your scholarship award.**
